**THE REAL ESTATE FAIR FOR
NINE MILLION PEOPLE & FOUR
LANGUAGES**

THE REAL ESTATE FAIR FOR
NINE MILLION PEOPLE & FOUR LANGUAGES

IMMOBILIEN MESSE ALPEN-ADRIA

One of the benefits of the Alpen-Adria region is the high quality of life. Clear lakes, versatile skiing resorts, Mediterranean seaside flair... People appreciate the region more and more and see it as an important factor in their work-life balance.

The region offers an exceptionally favourable cost of living, affordable property and a great selection of leisure activities. Professionals, entrepreneurs and students alike will find a standard of living here that exceeds all expectations.

With the new trade fair format „Immobilienmesse Alpen-Adria“, the Kärntner Messen function as a platform for the multi-national real estate sector. Estate agents, property developers, holiday home providers, property managers, trustees, solicitors, civil engineers and private investors will have the opportunity to present themselves in Messehalle 5, on an area of more than 600 m².

YOUR BENEFITS

the Speakers' Corner**

THE IMMOBILIEN- MESSE 2025

This is where the most attractive **new real estate projects** as well as exciting portfolio properties are presented in a way that is both vivid and personal.

Even in the age of digital platforms and online meetings, personal advice given by experts remains an important factor. Especially with regard to an investment that is as important for your personal and financial living conditions as the purchase of a property, direct contact between sellers, experts and buyers is essential.
